

CWON NEPAL IRRIGATION PROJECT 2017

Namaste and thank you to our nalleke didi, all the the kind and helpful peoples in church, from all the thaprang villagers, child welfare organization keshab and rajendra. we successfully completed the water project in thaprang and all the villagers are very happy about that, as we gave them farming training also now they will be able to grow some crops and vegetable with the help of water. They will have now enough water to wash and clean so the childrens will be healthy.
